ADVOCATING FOR PHYSICIANS & PUBLIC HEALTH SINCE 1791

October 10, 2020

To Members of the AMA YPS,

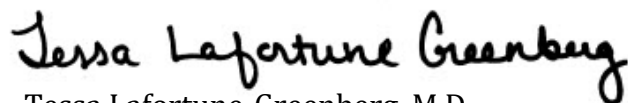

The New Hampshire Medical Society enthusiastically supports Albert Hsu, M.D., for the position of Chair-Elect of AMA's Young Physicians Section.

Prior to moving to Missouri, Dr. Hsu served on the Medical Society's Governing Council and as New Hampshire's YPS delegate, while practicing as an Assistant Professor in the Division of Reproductive Endocrinology and Infertility, Department of Obstetrics and Gynecology, Dartmouth-Hitchcock Medical Center (DHMC) and Geisel School of Medicine at Dartmouth in Lebanon, NH.

Dr. Hsu maintained an active interest in the legislative process, including testifying before the New Hampshire legislature. He has also demonstrated a strong commitment to improving the practice of medicine, advancing patient care and supporting his physician colleagues.

We strongly urge you to consider Dr. Hsu for this leadership role in American Medical Association's Young Physician Section.

Sincerely,

Tessa Lafortune-Greenberg, M.D.

President
